

## 2018 AFTER-PROM PARTY PLANNING COMMITTEE

### **4/19/18 After-Prom Party Planning Committee Meeting Notes:**

The Planning Committee (two committee members present: Becky Fischer PCYA, Bree Shinkle PCYA , staff- Paige Coleman, Tania Remmers) recommends a theme that blends elements of each school's input and ties into the Prom theme "Enchanted Garden". Suggestions include: "Enchanted Summer Evening" or "Summer Night Dream". If the final options were sent out to the schools, this may take time and create competition. The group that met considered that the input received from the three schools was an important step but that the committee/board would decide with what was contributed. The group did not want to repeat last year's or previous years themes and wanted to be respectful in terms of cultural or religious traditions.

Elements that were decided: the movie Coco (1hour, 45 minutes), glow sticks, fairie lights, flowers, music.

Committee said no to the idea of afterprom party tickets on the prom tickets.

The committee discussed the process for deciding the After-Prom Party theme and other elements. While there was interest in involving more people, the clock is ticking.

South Bend Multipurpose Room is the preferred location. Adrienne Lartz has been asked to reserve this room for TAC. When she checked into it looked like it may have been reserved by someone else. She is looking into this and see if TAC can have use of the room.

The committee reviewed the times of the previous years' events. 11pm-1am and 11pm-1:30am were the times of the party from the prior two years. The doors will be open early and no student entrance will be allowed after 15-30 minutes after the end of prom. The committee recommends: 11pm-1:30am with clean-up the following morning. It was discussed to reserve the South Bend Multipurpose Room for more time from Saturday, May 12<sup>th</sup> Noon to Sunday May 13<sup>th</sup> 3pm to give plenty of time to setup and teardown/clean-up.

**See below table for student input and committee decisions in the right column.**

2018 AFTER-PROM PARTY PLANNING COMMITTEE

<b>Category</b>	<b>Raymond</b>	<b>South Bend</b>	<b>Willapa Valley</b>	<b>FINAL</b>
