Suggestion to coordinate monthly prevention/intervention activities (such as National Mental Health Awareness Month) as we move forward. Kat reports she will compile information for next meeting.

Other Business

- Report on Prom After Party. Paul, Kathryn, Liliana, Nichole and Christy report it was very well attended, with 197 students, 22 chaperones and law enforcement officers. Students reported positive feedback on all offered activities including games, dancing, music, food and activities. Students and parents report it was a safe place to be without alcohol or drugs, and there are requests to continue/add this activity throughout the year, specifically this summer. Students stayed a minimum of 2 hours and some remained the entire time (7:00 pm – 1:00 am). All in all, this was a huge success!
- Jessica Porter/Pacific County Voices Uniting: reporting on tentative plans for Pride Activity for June 25th. Jessica would like to partner with TAC for both North and South County. Ideas include Pride March culminating at Alder & Co/Seaport in Raymond. Paul reports having ideas/expertise to support these activities, and will work with Jessica and the City of Raymond to facilitate future plans.
